PROSPECTUS.

MOUNT ST. MARY'S COLLEGE was founded in 1808, by Rev. John Dubois, afterwards Bishop of New York. In 1812, Rev. Simon G. Brutè, afterwards the first Bishop of Vincennes, was associated with the founder in conducting the College. A new college building was completed in 1824; but on the 6th of June of that year it was destroyed by fire. A larger building was erected and occupied in 1826. The College obtained its first charter from the Legislature of the State of Maryland in 1830, during the presidency of Rev. John B. Purcell, afterwards Archbishop of Cincinnati. From the year 1838 to 1871 Very Rev. John McCaffrey, D. D., presided over the College.

During the first century of its existence many men distinguished in Church and State have been educated at Mount St. Mary's College.

Since its foundation by Bishop Dubois, there has been maintained, in connection with the College, an Ecclesiastical Seminary for the education of missionary priests. Many of the theological students defray their expenses wholly, or in part, by teaching classes in the College.

The institution is under the direction and control of an association of clergymen, and in addition to the clergy, there are in the faculty several eminent lay professors. The number of teachers and tutors furnished by the Seminary is such that classes are limited in membership, so that more than ordinary attention can be given to each pupil.

The material interests of the College are under the control of a Board of Directors, of which the Archbishop of Baltimore, by virtue of his office, is President.

LOCATION AND BUILDINGS.

The College buildings are situated on high ground at the foot of the Maryland range of the Blue Ridge Mountains. The location is pleasant, healthy and convenient of access. The celebrated Academy of St. Joseph and the Mother-house of the Sisters of Charity, founded by Madam Seton, are in the immediate vicincity. To many parents the chief advantage presented by Mount St. Mary's College is its quiet seclusion and remoteness from the distractions and dangers of the city. The large farm and gardens belonging to the College furnish an abundance of the choicest dairy produce, fruit and vegetables. The vicinity of the College is a pleasant summer resort.

The buildings are substantially constructed of stone. The class-rooms, study-halls and dormitories are spacious, well-ventilated, and comfortable both in summer and winter. In all of the study and recreation rooms the gas illumination at night is by means of the Welsbach burner. Recently three new dormitories have been opened, one in the Senior Department and two in the Minim. Connected with each of these dormitories on the same floor is a comfortable lavatory. New baths have been opened for the minims and many improvements made in the Infirmary Department.

RECREATION AND DISCIPLINE.

The recreation grounds during the past year have been enlarged and much improved. They have been extended so as to include a beautiful grove of several acres and a large athletic field, very convenient to the College buildings. These features, together with a gymnasium, hand-ball alleys, a billiard hall, and a bowling alley, afford to the student sample facilities for athletic games and all other health-giving exercises.

Students during recreation hours may leave college bounds in the company of a perfect or tutor for walks through the country.

The Domestic Department and the Infirmary are under the care of the sisters of St. Francis. In sickness and in health the students are cared for, directed and watched over with paternal kindness and solicitude. All are instructed in the doctrines of the Catholic religion, and trained to the practice of Christian morality. Vocations to the clerical state are frequent in the upper classes, and the piety and purity of youth are guarded and promoted in every possible way.

MINIM DEPARTMENT.

There is a separate department for small boys, into which are received such students as are not likely to profit by ordinary college discipline and studies. Boys under fourteen years are usually received in this department.

GOVERNMENT.

The effective though unobtrusive supervision of the clergy, aided by the constant presence of the prefects, secures the peaceful reign of good order, industrious application to study and obedience to the laws of morality and social propriety. Gentle reproof, kindly correction, the instinct of honor, and, above all, moral and religious influences, are generally found effective in the maintenance of college rules, discipline and study.

ADMISSION.

All applicants for admission into the College must present satisfactory testimonials from their pastors or other persons known to the authorities. Those coming from other colleges must also bring certificates of good conduct and industry from the superiors of those institutions. Nobody shall be admitted who has been dishonorably dismissed from any other college or who cannot present satisfactory references.

EXAMINATIONS.

The classes of new students are invarably determined by examinations at the time of entrance.

Monthly written examinations are held in those classes in which the nature of the work permits them.

Public oral examinations take place half-yearly—in January and June. Students attending the College for more than one year are promoted in course at the beginning of each scholastic year if they have attained the required standard in the class-work and examinations of the preceding year. Besides the oral examinations at the end of the school year, there is also a general written examination, by which are determined the first honors of the College, consisting of a *gold medal* in each class.

Reports of all the classes are read monthly in the presence of the Faculty and students, and are then sent to parents or guardians.

COURSE OF STUDIES.

The regular college course, which must be followed by those who desire to take the degrees, embraces the Latin and Greek languages, French (or German, at the option of the student), Mental and Moral Philosophy, Logic, Mathematics, Chemistry, Natural Philosophy, Geology, Rhetoric and Literature, History, Christian Doctrine and Elocution.

The study of Chemistry, Astronomy and other sciences is facilitated by an excellent apparatus, a chemical laboratory and an extensive mineralogical collection.

The preparatory or academic course, which is a preparation for the college course, embraces Latin, Greek, English Grammar and Rhetoric, French or German, Arithmetic and Algebra, History, Geography, Reading, Orthography and Christian Doctrine.

There is a scientific and business course in which the study of Latin and Greek is optional, and more attention is paid to commercial studies, such as Bookkeeping, Commercial Law, Mercantile Accounting and kindred branches.

All are required to follow the course of studies prescribed for the department into which they enter.

DEGREES.

The Degree of Bachelor of Arts is conferred on those students who have followed and completed the regular collegiate course, subject to the following conditions :

1st. At least the last year of the course must have been made in this College.

2d. The student must show in the private and the public examinations that, in all the classes embraced in the regular collegiate course, he has attained the degree of proficiency fixed by the rules for graduation.

3d. He must prepare a literary essay or discourse satisfactory to the Faculty, and deliver the same in public on Commencement Day, if requested to do so.

The degree of Master of Arts is conferred on those students who, for at least two years after taking the degree of A. B., have devoted themselves to additional studies, or to some literary pursuit or learned profession, and who make timely application for the degree.

Graduates of the Commercial Department will receive proper certificates at the completion of their course.

COLLEGE SESSIONS.

The sessions (1900–1901) of the College begin Wednesday, September 12th and the first day of February, continuing five months each.

There is a recess at Christmas, beginning December 23d and ending January 3d. If students leave College during that time they must return promptly on the appointed day. No student will be permitted, except for reasons of absolute necessity, to absent himself from College at any other time during the school year while classes are in progress.

Students returning late in September, or failing to report promptly after the Christmas recess, forfeit their right to compete for prizes and honors.

RECREATION DAYS.

Besides the regular weekly holiday—every Thursday—the Sundays and Holy Days of Obligation during the year and the Christmas holidays, the following are the only days on which classes are suspended :

Wednesday in the third week of October—"Barbecue"—which is devoted to field sports.

The day preceding Thanksgiving Day.

SCHOLARSHIPS.

Through the generosity of friends, the College now controls two Scholarships of $5,000 each, through which it is able to offer to two worthy young men free board and tuition during their entire course of studies.

An increase in the number of such gifts is very desirable, as they enable the College to aid and encourage deserving young men who are unable to help themselves and whose services otherwise might be lost to Church or State.

ACKNOWLEDGMENTS.

The President and Faculty return sincere thanks to the following friends for gifts received during the year:

A. V. D. Watterson, L. L. D., Pittsburg, Pa., one hundred dollars toward the improvement of College grounds.

Rev. Thomas L. Kelly, A. M., Providence, R. I., vases and candelabra for Chapel altar.

Mrs. Frances S. Lanahan, Philadelphia, Pa., a portrait of the late Right Rev. F. P. Gartland, D. D.

Miss Elizabeth Seton, Huntington, N. Y., books which belonged to her father and to Mother Seton.

Right Rev. Edward P. Allen, D. D., Mobile, Ala., a curiously constructed wooden cross.

The University of California, a set of the Phebe Hearst plans of its new buildings.

Right Rev. Robert Seton, D. D., Jersey City, N. J., a copy of his book, "An Old Family."

Rev. Edward F. McSweeny, S. T. D. College, a collection of busts for the library.

Rev. Thomas E. Cox, A. M., Chicago, Ills., a copy of his book, "The Biblical Treasury of the Catechism."

Mrs. Michael McCloskey, Harrisburg, Pa., a valuable collection of books which belonged to her son, the late Rev. John J. McCloskey.

Most Rev. M. A. Corrigan, D. D., New York, a portrait of His Eminence, the late Cardinal John McCloskey.

William Seton, L. L. D., New York, his interesting lecture, April 26, 1900.

The Smithsonian Institution, Washington, D. C., several valuable volumes.

Several kind friends, named elsewhere, who donated the various medals and prizes.

Mr. C. A. Grasselli, Cleveland, Ohio, a handsome volume of travels.

Mrs. Catherine L. Aherne, Boston, Mass., a donation to the improvement fund.

Very Rev. William Byrne, D. D., V. G., Boston, Mass., two volumes of "The History of the Catholic Church in New England."

Mrs. James McSherry, Frederick, Md., a chalice which, in 1837, was given to her uncle, the late Father McAleer, of New York, by the late Archbishop Purcell.

IMPROVEMENTS.

During the summer vacation of 1899, the College authorities, aided by the generosity of a friend, were able entirely to rebuild the Seminary. Among many improvements made are a remodeled library, a more commodious reading-room, and more comfortable recreation-rooms for the College students.

Sincere thanks are returned to the following Clerical Alumni for their generous gifts toward furnishing the rooms in the Seminary :

THE MOUNTAINEER,

PUBLISHED BY

THE STUDENTS OF MT. ST. MARY'S COLLEGE.

THE MOUNTAINEER is the recognized organ of the students and Alumni of Mount Saint Mary's College. Its object is literary improvement, the chronicling of interesting events at the College, and the cementing in a more vital bond of fellowship the members of the Alumni, to whom it is invaluable.

Published every month during the school term in the very centre from which all college news emanates, and at the point towards which all Alumni gossip is directed, it is a safe and reliable medium of college information, and the only exact chronicler of Alumni news.

Being under the direction of the students, it must rely for its support upon the friends of the College. The aid of the Alumni is, therefore, respectfully requested and will be greatly appreciated.

St. Joseph's Academy for Young Ladies

Emmitsburg, Maryland.

This beautiful and commodious institution, fostered in the same nursery as Mount Saint Mary's, has always held the highest reputation for the refined and virtuous education given to its pupils. It is situated in a lovely valley at the foot of the Blue Ridge, about two miles from the College and about one-half a mile from Emmitsburg.

The location, as well as the high standing of these two institutions, offers peculiar advantages to parents who have both sons and daughters to be educated, for both may be visited at the same time, and the brothers and sisters have the opportunity of seeing one another every week during the course of the academic year.

Letters of inquiry should be addressed to the
